<u>Vision standards for Ex-Servicemen for the post of ASM and Traffic Assistant (CEN 03/2015).</u>

The requisite distant and near vision standards of Ex-Servicemen candidates for compliance in vision certificate:

Class	Distant Vision	Near Vision
A-2	l '	The combined near vision with or without
		glasses should be the ability to read
		ordinary print. Where reading or close
	6/60. Power of lens not to	work is required, combined near vision
	exceed 6 D.	with or without glasses should be Sn.0.6.

However, there will be no relaxation of visual acuity if the age of the Ex-Servicemen is below 35 years.

The format given in Annexure-IX of CEN 03/2015 is applicable to Ex-Servicemen also.
